## January PA Day

Please note that Friday, Jan. 26 is a PA Day for elementary SCDSB students.

Please refer to the 2023-24 School Year Calendar on the SCDSB website for more information: [www.scdsb.on.ca/elementary/planning\\_for\\_school/school\\_year\\_calendar](http://www.scdsb.on.ca/elementary/planning_for_school/school_year_calendar).

Below is a summary of the activities planned for the Jan. 26 PA Day:

**Length:** Full day

**Topic:** Evaluation and reporting

**Host:** Simcoe County District School Board

**Presenter(s)/facilitator(s):** Not applicable

Educators will be working to complete the first provincial report card which will reflect students' achievement of curriculum expectations introduced and developed from September to January/February of the school year, as well as students' development of the learning skills and work habits during that period. This process includes both evaluation and reporting.

Elementary report cards will go home to parents/guardians on Friday, Feb. 16, 2024.

## Inclement Weather and Bus Cancellation Information Reminder

Please note that APM A3020 – Inclement Weather, 3.1.2 states that “parents/guardians are to be reminded, in writing at appropriate times (October and January) each school year, that it is their responsibility to decide whether or not it is safe for their child(ren) to leave for school under severe weather conditions.”

All information regarding cancelled buses in Simcoe County is posted on the Simcoe County Student Transportation Consortium (SCSTC)’s bus information website at [www.simcoecountyschoolbus.ca](http://www.simcoecountyschoolbus.ca). Our school is in the **SOUTH** zone. When buses are cancelled, schools remain open for student learning, unless otherwise noted. School staff are expected to plan for such emergencies in order to transition students who are unable to attend due to inclement weather, to their online platforms (Google Classroom and/or SCDSBhub [Brightspace by D2L]) and continue with academic programming. It is always a family decision whether or not it is safe for their child(ren) to leave for school under severe weather conditions.

The Consortium and bus operators try to make the decision to cancel school buses before 6 a.m. and make every effort to post announcements before 7 a.m. Inclement weather cancellations are effective for the whole day and buses cancelled in the morning will not run at the end of the day. You can follow the Consortium on Twitter @SCSTC\_SchoolBus for bus cancellations and other information. You can also subscribe to receive bus delay notifications here:

<https://scstc.ca/Subscriptions/Login.aspx>.

---

## Inclement Weather Days

On inclement weather days when buses are cancelled, our automated system will call the home and cell number of the first parent on file for all students who are not at school. On these days, the message will ask you to call us back **only if** your child should be at school.

If we don't hear from you, we will assume you are aware your child is absent

## Dress for the Winter

We continue to remind students that they require complete winter clothing, including, boots, a hat and mitts/gloves to wear each time they are outside. Please ensure that these items come to school with students each day, labelled with the student's name on each item for easy identification. Sending an extra pair of dry mitts/gloves and socks, especially for younger students, is also a good idea.

We expect students to go outside for recesses each day unless all students are kept inside because of extremely cold weather or rainy weather. Fresh air and social interaction with peers are positive experiences for students at recesses, so long as they are dressed appropriately for winter weather.

---

## Indoor Shoes Reminder

Students and parents are reminded to help keep our school clean by ensuring that students have indoor shoes to wear inside the school.

---

## Parking Lot Update

Now that colder, snowier weather is here, all drivers using the parking lot are reminded to exercise extra care and caution. For the safety of all our students, drivers are asked to leave extra distance between vehicles on slippery road surfaces. Watch for small students who may be hidden by piles of snow or other vehicles. Please ensure that you respect the assistance of the adult supervisors who are there to support the safety of all students. Students must cross the parking lot with an accompanying adult.

## **SAFETY AND SECURITY AT SCHOOL**

We wish to remind all students and parents that all valuable and/or treasured items should be left at home for safe keeping. Those items may include (but are not limited to) iPods, iPads, MP3 players, computers, personal digital assistants (PDAs), tape recorders, video-recorders or digital audio-recorders, cameras, handheld electronic games, toys, expensive watches and jewellery. Cell phones are discouraged, but if parents believe that they are necessary for their child, students are to ensure that all cell phones are shut off, out of sight and not used on school property throughout the entire school instructional day, unless authorized by the teacher or staff member before use for educational purposes. The school cannot be responsible for any such items. Students should avoid bringing large sums of money to school. Payment for lunch orders, or any other school related purpose should be made using the School Cash online system.

## **School Playground Structures are Closed for the Winter**

Every winter, school playground structures are closed. Students are made aware of this during school hours through announcements and staff reminders during breaks. This may not be well known throughout the community, despite signs indicating that playground structures are a winter hazard and are closed. The Canadian Standards Association regulations make recommendations for the depth of ground cover required to minimize injuries (e.g., sand, pea gravel, or wood chips). These surfaces cannot be maintained when the ground freezes. Injuries from falling would be more significant on frozen ground.

We strongly recommend that you do not allow your children to play on any structures while the ground is frozen.

## **Snow Safety at School**

Now that winter is here, we remind all students and families that, for the safety of all students and staff, the snow must stay on the ground. Throwing snow or snowballs is not permitted

## Reporting Achievement in Language

Student achievement in language will be reported as one overall grade or mark on the term one report card. The mark will reflect a student's integrated learning across the four strands:

- Strand A - Literacy Connections and Applications
- Strand B - Foundations of Language
- Strand C - Comprehension; Understanding and Responding to Texts
- Strand D - Composition; Expressing Ideas and Creating Texts

The grade will be accompanied by supporting comments that will indicate the student's strengths, describe growth in learning, and identify next steps for improvement. For more

information regarding the revised Language curriculum, visit

## Parent/Guardian Self-Care

As parents and caregivers, it is important that we take time to check in with ourselves. When you are feeling stressed or overwhelmed, take time for yourself, even if it is just a few minutes. Working through your own feelings will make it easier for you to support and reassure your child. Self-care does not need to be complicated. Take a few minutes to do something you enjoy, connect with a friend, or move your body. It is not selfish, it is self-preservation.

## **Math @Home Parent and Caregiver Series**

It's back! The SCDSB math team is pleased to offer three virtual sessions for parents and caregivers of SCDSB students. These sessions will focus on practical and fun ways to support children with their mathematics learning and engagement at home. The first 200 registrants will receive a Math @Home kit of resources to use at home. Participants must pre-register for each of the sessions.

---

### **Exploring the New SCDSB Family Math Resources**

**Tuesday, Feb. 6, 2024, 7 to 8 p.m.**

This session is for parents and caregivers. Join members of the SCDSB math team for a guided exploration of the new SCDSB family math resources. Participants will have the opportunity to explore the resources that are available to support their child's math learning at home. The guided portion of the session will be 45 minutes in length. During the final 15 minutes, the math team will be available to answer questions about the resources available.

---

### **Tips For Engaging in Math Conversations with Your Child @Home**

**Wednesday, Feb. 28, 2024, 7 to 8 p.m.**

This session is for parents and caregivers and will explore opportunities to discuss math with their child(ren) at home. Participants will learn about how events such as shopping, preparing food, engaging in a building project, or going for a walk can be used as a starting point for math conversations, and will receive prompts to get the discussion rolling. The guided portion of the session will be 45 minutes in length. During the final 15 minutes, the math team will be available to answer questions about the session.

---

### **Games to Support Your Child's Math Learning @Home**

**Thursday, April 4, 2024, 7 to 8 p.m.**

This session is for parents, caregivers, and their children. Playing games at home is a great way to support child(ren)'s math development. In this session, several games will be explored, and participants will have the opportunity to try the games with their children during the session. The guided portion of the session will be 45 minutes in length followed by 15 additional minutes for further game play or to ask questions of our math facilitators. Bring your child(ren) and your math kit to this session!

Participants must pre-register for the sessions they wish to attend. Registered participants will receive a kit of hands-on resources that will be sent to the school indicated on the registration form. Use this link to register: <https://bit.ly/24MathAtHome>.

## Stay Healthy this School Year

COVID and other respiratory infections can spread easily from person to person. These germs can spread quickly when someone coughs or sneezes directly on another person, or when germs land on hard surfaces like doorknobs, desks, and keyboards and then are touched by someone else. These germs can then enter the body through the eyes, nose, or mouth.

The most important thing you can do to keep from getting sick and stop the spread of germs is wash your hands. Wash with soap and warm running water for at least 15 seconds (or try singing Happy Birthday twice). If your hands are not visibly dirty you can use alcohol-based hand sanitizer for 15 seconds. Also, make sure you are up to date with your immunizations, cover coughs and sneezes, and stay home if you are sick. Teach your kids to do the same!

For more tips to keep you and your family healthy this school year, contact Health Connection at 1-877-721-7520 or visit [www.simcoemuskokahealth.org](http://www.simcoemuskokahealth.org).

## Keeping Your Information Private

As parents/guardians, we work to support our children's well-being and to protect them from harm. At a time when internet use can pose risk to our children, how can we support them in keeping their information private and secure when using social media, games, and/or other digital apps? Each month we will highlight one cyber awareness topic to support parents/guardians with the information and tools they need to navigate these topics with their children.

January's theme is Keeping your information private. For helpful tips related to managing your child's privacy and security settings on mobile devices, read through the info sheet from the Educational Collaborative Network of Ontario (ECNO) by visiting:

[https://ecno.org/wp-content/uploads/2023/09/ECNO-CAM-Calendar-23-Aug3023\\_KeepInformationPrivate.pdf](https://ecno.org/wp-content/uploads/2023/09/ECNO-CAM-Calendar-23-Aug3023_KeepInformationPrivate.pdf).

## Standards of Behaviour and Consequences for Student Action Related to Racism, Bias or Hate

At the SCDSB, we are committed to maintaining safe, inviting, and supportive school environments, and recognize that all students have the right to be safe, and feel safe, in our schools.

With this right comes the responsibility to contribute to a positive school climate.

We want you to know that any incident of racism, bias, or hate will not be tolerated. Any such incident is treated very seriously with immediate action and consequences in accordance with the requirements of the Education Act, and consistent with our values and obligations under the Ontario Human Rights Code.

Students who engage in acts of racism, bias, or hate will face severe consequences as a result of their actions.

Please take a moment to review the SCDSB Code of Conduct with your child(ren). The Code of Conduct sets clear standards of behaviour and specifies consequences for student actions that do not comply with these standards. Visit [www.scdsb.on.ca/elementary/safe\\_schools](http://www.scdsb.on.ca/elementary/safe_schools) to learn more.

The SCDSB's Human Rights and Equity Office (HREO) has an advisory titled Prohibiting the Use of the N-word. Please take a moment to review this advisory with your child(ren) by visiting the HREO page on the SCDSB website <https://tinyurl.com/3jsvhan6>.

We are dedicated to educating our students and staff about the injustice and impact of systemic racism. We continue to work with students, staff, parents/guardians and community partners to ensure that our schools are the safe places they are intended to be for all students.

## Join us! A learning series for parents/guardians with Pine River Institute

Mental health and well-being continues to be a key strategic priority within the SCDSB. We are pleased to continue our partnership with the Centre for Family Initiatives at Pine River Institute (CFI@PRI) to provide several curated learning sessions focused on student mental health and well-being to SCDSB families.

These webinars are specifically planned for parents/guardians and other caregivers during this school year.

**Jan. 11, 2024** Sleep hygiene

**Feb. 8, 2024** Self regulation for kids

**Feb. 22, 2024** Self regulation for teens

**March 28, 2024** Building parents' resiliency

**April 18, 2024** Vaping, weed, and alcohol

We hope you save these dates in your calendar and join us for these learning opportunities. For more information and to register, please visit the SCDSB website: <https://bit.ly/3jGaC74>.

Pine River Institute is a live-in treatment centre and outdoor leadership experience for youth aged 13 to 19 struggling with addictive behaviours and often other mental health issues. Combining therapy with a fully-accredited education program, PRI reinforces the healthy life skills required for a successful future. CFI@PRI extends PRI's knowledge, experience and evidence-informed treatment approach to families and care providers in the community to support youth mental wellness and prevent the need for more intensive interventions. Learn more about PRI by visiting their website at [www.pineriverinstitute.com](http://www.pineriverinstitute.com).

## Mental Health Promotion Strategy of the Month - 2 x 10 Connecting

Well-being is a strategic priority in the Simcoe County District School Board, and our mental health and well-being department provides monthly strategies to support student and family well-being.

This month's strategy is 2 x 10 Connecting. This practice helps to build rapport and the relationship between a caring adult and student, and to let the student see they are genuinely cared about as a person.

To practice 2x10 Connecting at home, find a consistent time each day to spend two minutes talking to your child about anything they would like to talk about for a period of 10 days. If you have more than one child, switch who spends that time talking with you every 10 days or find different times in the day to spend 2 minutes with each child.

Find more information to support your child's mental health here:

<https://smho-smsso.ca/parents-and-caregivers/>.

2x10 Connecting resources: Elementary - <https://smho-smsso.ca/emhc/self-awareness-and-sense-of-identity/mattering/2-x-10/> Secondary - <https://smho-smsso.ca/emhcsecondary/healthy-relationship-skills/being-a-good-friend/connecting/>

Follow the Mental Health and Well-being social media accounts (@SCDSB\_MHWP) to see how well-being is being supported in our schools.
