Lunch

We have **two** nutrition breaks. Each one is twenty minutes long. We do give Kindergarten students additional time to eat.

A variety of healthy food choices in small quantities and a refillable water bottle is encouraged.

Practise opening containers this summer and picking which foods to eat first. There are 3 Kindergarten rooms eating at the same time, so as much independence as possible is appreciated.

Welcome to
Kindergarten!

Year One Kindergarten
Students Begin:

**THURSDAY, September
7th, 2023**
at 9:10 am

*Please watch your emails
for more information.*

We are so **EXCITED** to meet you!

Our Kindergarten team consists of DECEs, EAs and Kindergarten Teachers working together to provide the best possible Kindergarten program.

Your child's school experience will be enriched by the expertise all of these individuals bring to our team.

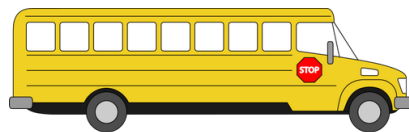

The First Two Weeks:

During the first two weeks of school, we will be focusing on the rules of the classroom and school, routines of entry and dismissal, touring the classroom, how to play at centers, carpet manners, bathroom procedures, as well as meeting many new friends!

Arrival and Dismissal:

Teachers are on duty at 8:55am to supervise students outside before school. The bell rings at 9:10 am. **Please ensure your child is dressed appropriately for the weather.** End of day bell is at 3:40pm.

BUS STUDENTS:

Both educators will take students from their class directly to their bus, designated bus line or parent pick-up location.

END OF DAY PICKUPS:

If making changes to your child's end of day transportation or if picking up early, we kindly ask that you inform the school **before 2:00pm** to avoid last minute confusion. If someone else is picking up your child, please inform the office.

After School Program - Upper Canada Child Care:

After the bell rings, students will be connected with the Upper Canada Child Care staff.

Things to bring:

- A large enough backpack to hold a **lunch bag, water bottle** and room for your child to pack their library book/artwork coming home (while still keeping in mind the weight of the bag).
- Your child's **Oops Bag**.
- A pair of **indoor shoes** that will stay at school.

**Please try to send shoes that your child can put on independently.*

LABEL, LABEL, LABEL:

In Kindergarten, labels are essential—so many children have exactly the same belongings and have trouble identifying what is theirs. Please label all of your child's personal items and clothing. **Labels or writing initials in permanent marker works great!*

Outdoor Play and Learning:

In Kindergarten, we are outside EVERYDAY.

Please dress your child according to the weather with extra socks and mittens tucked in their bag.
